

POWER OF ATTORNEY INSTRUCTIONS

PLEASE READ CAREFULLY BEFORE YOU SUBMIT YOUR POWER OF ATTORNEY, AS ADDITIONAL DOCUMENTATION IS REQUIRED FOR PROCESSING

The SFERS Special Durable Power of Attorney is a special power of attorney because it only authorizes your attorney-in-fact to handle your SFERS retirement affairs. Having a SFERS Special Durable Power of Attorney on file with us ensures that your designated attorney-in-fact will be able to perform important duties concerning your SFERS business, such as address changes, federal or state tax withholding changes, replacement of lost or stolen retirement checks, changes to beneficiary designations, or retirement benefit elections should you become unable to act on your own behalf.

While we prefer that SFERS members use the SFERS Special Durable Power of Attorney form, SFERS will also accept other power of attorney forms that grant the attorney-in-fact authority to conduct business with us.

In addition to the complete and fully executed Power of Attorney, the following documentation must also be submitted in order for SFERS to review and accept your Power of Attorney:

1. A photocopy of the Attorney-in-Fact's valid photo ID (driver's license, state issued ID or passport).
2. A statement, signed by the Attorney-in-Fact, declaring where the member is currently residing. If the member resides in an assisted-living or other facility, please submit verification from the facility (a copy of the bill or a letter from the facility).
3. If this Power of Attorney becomes effective only at the time of incapacity, SFERS requires that you send written declarations from two (2) physicians to show incapacity.
4. If the Power of Attorney that is submitted was executed more than 18 months prior to submission to SFERS, the Attorney-in-Fact must complete and sign the "Declaration of Attorney-In-Fact". This document must be notarized or witnessed by a SFERS staff person to be accepted. The form is available on our website.

Section 5a.

Notice to Person Executing Special Durable Power of Attorney – Part I

Please note: The person you are appointing as your Attorney-In-Fact will not have any authority over your other real or personal property. The authority granted by SFERS Special Durable Power of Attorney is limited to matters relating only to SFERS. If you wish that your Attorney-In-Fact’s authority be extended over real and/or personal property matters, it is recommended that you seek legal counsel.

The language contained in Part II is required by law (See: Probate Code Section 4128) AND appears to grant your Attorney-In-Fact greater authority than that actually granted under this SFERS Special Durable Power of Attorney. Some of the statements contained in Part II **DO NOT APPLY** to the SFERS Special Durable Power of Attorney. If you are concerned with the language in Part II, or the extent of the authority being granted by the SFERS Special Durable Power of Attorney, we again urge you to consult with an attorney.

Section 5b.

Notice to Person Executing Durable Power of Attorney – Part II

A durable power of attorney is an important legal document. By signing the durable power of attorney, you, the principal, are authorizing another person to act on your behalf. Before you sign this durable power of attorney, you should know the following:

- 1. Your agent (Attorney-In-Fact) has no duty to act unless you and your agent agree otherwise in writing.
- 2. This document gives your agent the powers to manage, dispose of, sell, and convey your real and personal property, and to use your property as security if your agent borrows money on your behalf.
- 3. Your agent will have the right to receive reasonable payment for services provided under this durable power of attorney unless you provide otherwise in this power of attorney.
- 4. The powers you give your agent will continue to exist for your entire lifetime, unless you state that the durable power of attorney will last for a shorter period of time, or unless you otherwise terminate the durable power of attorney. The powers you give your agent in this durable power of attorney will continue to exist even if you can no longer make your own decisions respecting the management of your property.

- 5. You can amend or change this durable power of attorney only by executing a new durable power of attorney or by executing an amendment through the same formalities as an original. You have the right to revoke or terminate this durable power of attorney at any time, so long as you are competent.
- 6. This durable power of attorney must be dated and must be acknowledged before a notary public or signed by two witnesses. If it is signed by two witnesses, they must witness either: (1) the signing of the power of attorney, or (2) the principal's signing or acknowledgment of his or her signature. Any durable power of attorney that may affect real property should be acknowledged before a notary public so that it may be easily recorded.
- 7. When effective, this durable power of attorney will give your agent the right to deal with property that you now have or might acquire.
- 8. The durable power of attorney is important to you. If you do not understand the durable power of attorney, or any provision of it, then you should obtain the assistance of an attorney or other qualified person.

Notice to Person Accepting the Appointment of Attorney-in-Fact

The person agreeing to act as Attorney-in-Fact must sign this section.

By acting or agreeing to act as the agent (attorney-in-fact) under this power of attorney you assume the fiduciary and other legal responsibilities of an agent. These responsibilities include:

1. The legal duty to act solely in the interest of the SFERS Member or principal ("principal") and to avoid conflicts of interest.
